12 March 2021

Dear Parents,

It has been a wonderful week! Your children are an inspiration to us all. Once again, they have returned the soul to our school. To hear laughter and the buzz of learning across school has raised all of our spirits! We now really do appreciate more than ever structure to our daily lives and coming to school for children is in contributing to their well-being.....and ours too!

Thank you for your amazing support! Ensuring arrival and pick is punctual ensures our safety and a smooth start to every day. No school bags has also ensured the school is clutter free and has created a lot of space, as not all children can use the cloakrooms.

I have included again this week the information you need to get lateral flow test kits for the adults in your family.

Lateral Flow Tests for adults at home – government guidance

On Sunday 28 February, the [Department of Health and Social Care announced](#) that from Monday 1 March, households with primary school, secondary school and college age children and staff, including childcare and support bubbles, can test themselves twice every week at home as schools return from Monday 8 March. Twice-weekly testing will also be offered to adults working in the wider school community, including bus drivers and after school club leaders. The twice-weekly test kits can be accessed:

- via employers if they offer testing to employees
- at a local test site
- by collecting a home test kit from a test site
- by ordering a home test kit online

Test kits are not available from schools. The guidance explains how to get access to the kits and gives details of the nearest collection points. [Home Testing for Family and Childcare bubbles](#)

At present the kits can be collected from the sites below **during the stated hours only**. Further collection points will be available soon.

Macclesfield COVID-19 Test Centre SITE: LTS612

Macclesfield

Commercial Road Car Park, SK10 2QJ **1.30pm – 7pm Monday-Sunday**

Crewe Local Test site 121

Crewe Chester Street car park CW1 2ER **1.30pm – 7pm Monday-Sunday**

Undertaking regular, rapid coronavirus (COVID-19) testing helps reduce transmission of the virus. Parents and other adults in households with children at school or college, who do not have symptoms, can now access regular, rapid coronavirus (COVID-19) testing. This includes childcare and support bubbles.

Tests are fast, easy and completely free. There are [different ways](#) for a household, childcare or support bubble to collect their test to take at home, twice-weekly:

- through your employer, if they offer testing to employees
- by collecting a home test kit from a local test site – anyone aged 18 or over can collect 2 packs of 7 tests
- by ordering a home test kit online – please do not order online if you can access testing through other routes, this frees up home delivery for those who need it most

Have a wonderful weekend and we look forward to seeing you on Monday.

Best wishes
Alison Hooper

Stem Week

Year 1 observing time and weather

At Egerton, we have been celebrating a very special week - STEM Week. The theme for this year was 'Innovating for the future'. We have been exploring new ideas, devices and methods that have made life easier or better for people. We all had a fabulous time.

Year 4 pupils doing an investigation into taste and appearance of food

Year 6 Investigating superhydrophobic qualities

Year 3 exploring senses

Year 2 baking and inventions

Year 5 Testing materials
