Dear Parents,

We have had a great start to the summer term this week! The children have been super busy starting their new themes and have come back ready to learn. The good weather is certainly a bonus!

This week Earth Day was celebrated on Wednesday coinciding with the world's climate summit. Children across the school have been considering different aspects of focus for this. In Monday's assembly we discussed litter, Year 6 are debating the impact of plastic on our planet and could we live without it.

The Sustainable Development Goals were set by the United Nations in 2015 to be achieved by 2030. They are interconnected and designed to positively impact upon the future of all aspects of life and sustainability. These goals are embedded into our thematic curriculum. For instance, Year 4 are focusing on SDG 3 and 4, clean water and hygiene and health and wellbeing.

## **Knutsford Royal May Day**

As the May Day parade is not going ahead this year, we are planning to do a whole school celebration of May Day on Tuesday 4<sup>th</sup> May, the day after the bank holiday. More details will follow and children will be given the option to come to school in their best clothes or as a character of their choice from the procession on the day.

## **Afterschool clubs**

Afterschool clubs running from next week

Wednesday Tennis for Years 1, 2 and 3

Thursday Multiflex for Years 1 and 2

Friday Multiflex for Years 3 and 4

**Please send your child to school dressed in PE kit if they are doing a sports club after school.**

All clubs finish at 4.15pm, please collect your child from the main entrance. There are still spaces on the above clubs. To sign up for tennis, please email Mark Airey [tennisacesltd@gmail.com](mailto:tennisacesltd@gmail.com) or Mr Webb for multiflex [info@multiflex-sports.co.uk](mailto:info@multiflex-sports.co.uk)

From week commencing 3<sup>rd</sup> May, Miss Garvey will be starting choir again in preparation for a big performance in July! This is open to juniors only and Miss Garvey will be sending out letters next week to children who are interested in joining the choir and wish to take part in the show. Mr Pettit will be running a coding club for Years 5 and 6 and there will be an art club for Years 1 and 2. Letters for these clubs have been sent home today.

## Stunning starts!

A peek in the classroom

Year 4 have been on a virtual tour of India, they were tracking their journey on a map and adding details of their discoveries along the way

On Thursday morning, Year 2 children took part in our stunning start. They used a script to act out the story of Florence Nightingale and the children were brilliant!

This week in Class 3, children had their first recorder lesson! They had lots of fun focusing on rhythm and learning how to hold a recorder properly. The children can't wait for their next lesson!

This week, Reception have been planting beans to grow our very own beanstalk. We are checking them every day to spot any shoots. We can't see any yet, fingers crossed for Monday!

Year 5 have been introduced to their new topic "Climate Heroes" and as part of that, they will be taking part in the Blue Peter campaign to help combat climate change and earn themselves a green badge!

Class 1 began their work on algorithms in computing by helping Robot Gibson to make a jam sandwich and therefore understand the importance of instructions being specific!

We also measured each our height as part of our enquiry observing over time. We will do this again at the end of the half term and twice next half term to see how much we've grown!

We had an exciting week in Year 6. All the children came back to school after Easter break full of enthusiasm and ready to learn. We have decided on the end of year play, which this year will be Midsummer Night's Dreams.
