## Egerton May Day Parade

We had a wonderful time yesterday and managed to fit in our very own May Day Parade in the sunshine! The children paraded around the Daily Mile track in their class bubbles before coming together around the Junior playground to watch Class 1 perform their May Pole dance. The playground was full of smiles! Class 1 did a fantastic job with Mrs Gibson at the centre holding up the May Pole. Residents at Ash Court were clapping along from their windows too.

Covid has presented so many challenges regarding our daily lives but also preventing those special annual events from going ahead. This time last year there were only key worker children in school. So this year I was determined that we have our very own May Day Parade so that the children have a strong memory from this year. In the afternoon, we invited Lily-May Newall, the chosen queen for 2020, to come to school to meet the children. She was thrilled as she has yet to be crowned. Lily visited every class and answered lots of questions. She even met her maids of honour, Chloe and Amy, in class 5!

Anya from Class 5 brought her auntie's dress and crown into school as each queen gets to keep their crown. Her auntie was queen in 1988. Each class came into the hall to view the crown and her dress. This afternoon, the children were presented with a special cake baked by Jayne the cook as a treat to add to this memory. Let's hope that Lily-May will be crowned and take part in the parade in 2022 - maybe there could be two queens that year in recognition that Covid is not going to prevent such opportunities.

## Parent Meetings

If you requested a meeting with the teacher for next week, you should have received a confirmation email, further confirmations for the following 2 weeks will be sent on the next 2 Fridays. If you requested a zoom call, please look out for a zoom invitation from teachers. All teachers have access to phone numbers so if the zoom call fails, they will call you instead.

## Pick up and drop off

I have been monitoring the staggered drop off and pick up times. Thank you to those parents that are sticking to the times outlined below. This is extremely helpful and I know many of you are hanging back on the grass outside of Booths to be punctual - that is deeply appreciated. The only exception to this are siblings - drop off at the earliest sibling time and pick up at the latest sibling time. There are some children having some extra support and their siblings come in with them. The teachers have clear lists of the exceptions to the times below. Please ensure you are punctual and wearing a mask with the exception of those I am aware of that are exempt. This is for your safety regarding the avoidance of gatherings. For example, children in Reception with no siblings should be arriving at 9am.

Groups	Drop off time	Pick up time	Arrival Location	Pickup Location
