Through dynamic teaching, a highly creative curriculum and supportive environment, every Egerton child gains a passion for learning. When combined with the knowledge, skills and values they develop, we enable our children to fulfil their potential as global citizens in an ever-changing world

Update

Thank you for your continued support regarding the reintroduction of staggered start and finish times. Mrs Hooper will be liaising with Public Health and the Local Authority next week to discuss how long these measures need to be in place and we will communicate that as soon as possible. A big thank you to all the teaching and support staff who have gone above and beyond this week and made sure the children have had an amazing time every day.

Please still be extra cautious regarding symptoms such as headache, coughs, head cold, nausea and with any of these symptoms, please book a PCR test and keep your child at home until a negative result is received. Please also continue to use LFT tests, especially if a member of your household is positive and your child is attending school following a negative PCR.

Groups	Drop off time	Pick up time	Arrival Location	Pickup Location
Reception	9:00	15:00	Playground gate; Reception classroom door	Infant Playground; Reception classroom door
Year 1	8:50	15:10	Playground gate; Year 1 classroom door	Infant Playground; Y1 classroom door

Year 5	8:40	15.10	Main entrance; Y5 classroom door	Main entrance
Year 6	8:30	15:20	Main entrance; Y6 classroom	Main entrance

Our Amazing PTA

Please find a flyer attached with details on how you can support the PTA, they have some great plans in the pipeline! Please support these if you can.

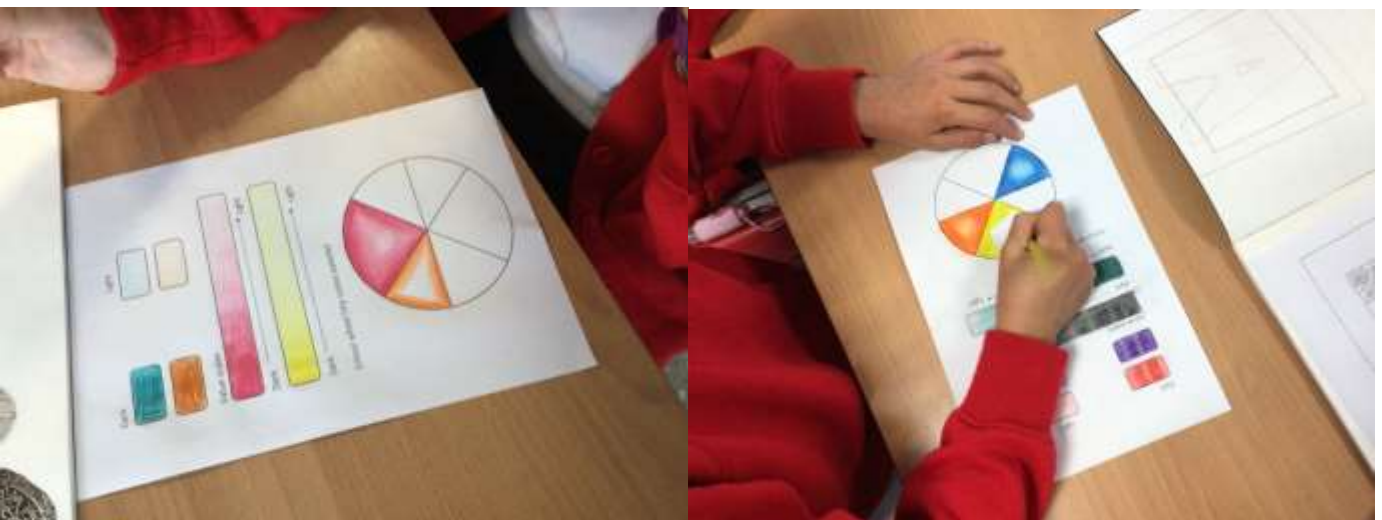

In the meantime, please sign up for an Amazon Smile account and nominate Egerton Primary School Parents and Teachers Association. Amazon will donate a small percentage the PTA at no extra cost to you.

This week in Year 2 we have begun our food technology project. We started by tasting different flavoured pizzas and from this the children designed their own mock-up.

The children in Reception have been baking cakes this week, in preparation for Grandma Fantastic's birthday celebrations on Friday. They really enjoyed making them and watching them rise in our little oven. Their favourite part was decorating and eating though!

In Year 5, we've been exploring how we can create interest and effect with coloured crayons. We will be using these skills in our final art work.

This week, Year 4 have been using the Premier League as a way of celebrating diversity. We created our own unique goal celebrations and then composed poems inspired by

“Beautifully Different,
Wonderfully The Same” by
Joseph Coelho

This week, Year 3 have been sequencing photos of berries and nuts and clapping the rhythm of these words. Children have been making sure that they are keeping a steady pulse whilst clapping the rhythms.

This week Class 1 have been preparing for retelling the story The Three Little Pigs. We have sequenced images, composed captions verbally and used props for our role play which we especially enjoyed.

In Year 6 this week, we did an enquiry that revolved around Henry VIII's divorce and break with Rome. Children became advisors to King Henry and tried to understand the competing pressure that forced Henry to divorce Catherine and marry Anne.

Why did Henry VIII break with Rome? Love or religion?
