PTA AGM

Thank you so much to those parents who came to our PTA AGM this week. This is the first meeting of the year and an opportunity to celebrate the difference that our PTA has made to our school in the past year. There are some exciting plans looking ahead to continue to support this year's focus on reading.

The parents who attended were delighted to see the new library furniture and special reading areas that we have created so far.

Please support your PTA in any way that you can.

Egerton School Council

It is this time of year that we look to electing our school council. It is an essential element of the national curriculum to learn about democracy and how it can work in practice by the elected members working alongside the electorate to achieve great things. This means that the two elected councillors from each class (Y1-6) will be challenged to involve every child. This year we are focusing on action for our planet. In the global learning cluster I lead, the Knutsford hub schools councils will come together to meet Knutsford Town Mayor, Andrew Malloy, on 30 September. We are going to propose that we work together to make Knutsford a plastic free town.

If you too are passionate about this and are part of a community group or business in Knutsford please support us in this venture. Roberts Bakery have plastic free wrapping and they are actively supporting us. I have already had an offer from a parent who has a family member who is a Professor specialising in micro plastics. We are trying to arrange for him to come and speak to the children.

The election will be held on Wednesday next week and the result announced in assembly on Thursday.

Mystery Reader

If you are able to give just 15 minutes at the end of a school day to be a 'mystery reader' and share your favourite story with a class that would be wonderful! The children love this. Knowing that adults enjoy children's books is such a powerful message to them. Please inform your child's class teacher if you are able to help.

Supporting our Town

Andrew Malloy, Knutsford Mayor, has literally taken to his bike to bring about positive changes to our town. He is training to cycle 100 miles to raise money to provide a skate park for young people in the town. This is an impressive effort. Andrew took part in our sportive on Sunday and I promised to pass on details of how you can support him. Please follow the link below:

Staff Update

I know that many parents and children have seen Mrs Eyres out shopping or walking her dog. I can now confirm that she is expecting her first baby but remains away from school due to some complications with her pregnancy. We wish her well with this and in the meantime Mrs Rostron will continue to teach Class 1 on a full time basis.

School Spider

You should have received log in details this week for the app, please ensure this is downloaded and you are logged in as this is **the only way you will be able to book a parents evening appointment**. We also use the app to send out messages instead of texts, we have sent a test message out this afternoon so if you do not get it, please check you are logged in, all your children are showing and you have notifications enabled. If there are any urgent messages regarding your child, we will always call you.

Email is still our primary way of giving you information, please ensure we have correct email addresses. The newsletter is emailed every Friday and is published on the website, if you are not receiving it, please let us know.

PTA News

Thank you to everyone who came along to Wednesday's AGM. It was great to see some new faces! Last year's committee was re-elected, and class reps were finalised as follows:

Reception: Andy Martin

Year 1: Jen Hanratty Ball, Laura Davies, Becky Henderson

Year 2: Elaine Clark and Julia Wood

Year 3: Lucy Hughes

Year 4: Hannah Shaw

This year, the PTA's fundraising focus is going to be reading, in line with the school's main objective. Mrs Hooper has a super exciting outdoor project in mind, which would really make a huge impact on the school.

We also put a few dates in the diary (see below) for the next few months. We are keen to try some new events involving the whole family, so please let your class rep know if you have any ideas!
