Egerton School Council News

Both the school council reps for Year 6, plus the recycling officers met the Knutsford Mayor Andrew Malloy on Monday, along with other schools in the district. We discussed plans of how to make Knutsford plastic free. Mobberley school are going to write a letter to the council on behalf of all the schools to share with the community. We at Egerton thought we could give an award to any business or community group that does well with reducing plastic usage.
