

2019 Achievements and Performance

At Egerton, we aim to provide a curriculum which enables children to make progress and attain exceptional outcomes from their starting points. Knowledge and skills are carefully planned and sequenced so that children's prior learning is built on and through the application of key skills, used and applied. We aim to provide our children with the skills and knowledge to enable them to thrive and flourish in whichever pathway they choose for their future.

We are very proud of our achievements and our performance this year. The school was awarded its 4th consecutive International Schools Award from the British Council and the Silver Rights Respecting Schools Award from UNICEF. Global learning and children's rights are embedded across our curriculum and serve to make learning relevant and purposeful.

Standards		
	School	National 2019
EYFS – Good Level of Development	78%	71.8%
